

New York to Los Angeles in 21 Days

September 13 - October 3

Black Dog Ride

(raising awareness of depression and suicide prevention)

-across America 2015-

65 Australians ride across America to raise awareness of depression and suicide prevention and to raise funds for Mental Health First Aid USA to provide training scholarships for military veterans and first responders.

To find out how you can support the Black Dog Riders during this epic journey please visit our website:
